

SIMPLY CLEVER

ŠKODA

# THE NEW ŠKODA FABIA

  
BEST FIRST CAR 2015

# INTRODUCTION

The third generation **ŠKODA Fabia** is more dynamic and more expressive, yet practical and economical; proving that emotion and incredible functionality complement each other in perfect harmony. Featuring the very latest in Volkswagen Group technologies and safety advancements, the versatile Fabia includes **SmartLink smartphone connectivity** including **Apple CarPlay** and **Android Auto**, **rear parking sensors**, **Front Assist with City Emergency Brake\***, **Multi-collision Brake** and **Green Tech** as standard across the range.

Offered as both a hatch and wagon, the Fabia focuses on sharp and angular lines. Both lower and broader than the second generation, the Fabia is the latest model to wear the new ŠKODA design language; setting a benchmark for expression, dynamism and emotion on the road. Adhering to these values, the Fabia hatch also offers 5 optional **Colour Concept** combinations, allowing you to customise your Fabia to express your personality and style.

The Fabia also utilises the latest Volkswagen Group shared technology - Modular Transverse Matrix (MQB); allowing cars to be designed with a high degree of freedom, by using various structural modules not limited by class or body.

The result, a fresh and modern city car that is sure to steal attention. Read on to learn more about the Fabia Range.

\*Safety technologies are not a substitute for the driver's responsibility of the vehicle.

# EXTERIOR DESIGN

The new **Fabia Hatch** turns heads whichever way it turns. Sharp lines and strong curves define its side and rear, creating an attractive play of light and shadow.

The car's front embodies the core elements of the new ŠKODA design language, including the grille's clear geometric shape, the ŠKODA logo on the sloping front end of the bonnet and the crystalline design of the headlights. The silver logo, mounted at a vantage point on the nose, is the starting point for a distinctive overall design with a horizontal emphasis.

The **Fabia Wagon** is proof that form and function can live under the same roof. Its sharp, clean lines cleverly hide the unrivalled space inside. View it from any angle and its perfectly balanced proportions won't fail to impress. It's a great example of dynamic design working in harmony with practicality.

Offered on both hatch and wagon, the optional **panoramic glass roof** stretches from the front windscreen to the roof spoiler allowing for an abundance of natural sunlight. For added comfort, two manually operated blinds cover the whole roof.

The **integrated side indicators** are now enclosed within the external side mirrors - a minor tweak that enhances the overall expression of the Fabia's design.

Distinctive and wide headlights boast contours and sharp edges; while the dark underlays hug the grille, strengthening the integration between the two and creating an intriguing contrast to the lighter areas at the front. For the first time in Fabia, you can opt for **LED daytime running lights\*** with **curve projected headlights**.

\*Included in optional Travel Pack for Fabia 66TSI and Sports Pack for Fabia 81TSI.

# INTERIOR STORAGE

As ŠKODA drivers have come to expect, the Fabia is full of "**Simply Clever**" storage areas and designs to offer solutions that fit your lifestyle.

## Multimedia device holder

Situated within centre cup holders, the multimedia bracket safely houses your device, such as a smartphone.

## Pockets

Storage pockets on the insides of the front backrests are perfect for small items such as wallets or phones.

## Storage box under front seats

A hinged storage box for various small objects can be found under both front seats

## Bottle holders

The storage compartments in both rear doors can hold a 0.5-litre bottle (pictured), while the front doors can hold a 1.5-litre bottle.

## Waste bin

The waste bin in the front door panel is a neat feature for small rubbish items. The bag can be removed and replaced with ease.

## Glove compartment

The illuminated glove box situated in the lower part of the front passenger dashboard is large enough to store a 1-litre bottle.

## Multi-functional steering wheel

The 3-spoke multi-functional steering wheel allows full control of the Bluetooth® phone and audio streaming, as well as the control of the trip computer functionalities and vehicle status.

## Front centre armrest

Standard equipment on the 81TSI, the front armrest contains a storage compartment for small items to be housed.

## Climatronic air conditioning\*

Dual-zone Climatronic air-conditioning allows the passenger to set different temperatures for optimal comfort while the humidity sensor directs air flow as required, to keep the windscreen fog free.

## Sunglasses storage

A convenient sunglasses holder# is located above the rear view mirror.

## Ticket holder

The parking ticket holder on the edge of the windscreen is a practical detail that will ensure that your parking ticket is always in a highly visible location.

\*Included in optional Premium Sports Pack for Fabia 81TSI. #Not available with optional panoramic roof.

# COMFORT & CONVENIENCE

## Rear Parking Sensors

Parking is made easier with rear parking sensors standard on all models. In addition to the audible signals, visual cues are clearly displayed on the infotainment unit.

## Electrically-adjustable and heated side mirrors

The side mirrors can be easily adjusted, defrosted and defogged from the dial situated near the driver's door handle.

## Rain Sensor and Light Assist\*

Located behind the rear view mirror, the rain sensor and light assist are great additions for added peace of mind.

## Advance Keyless Entry including Smart Start (KESSY)\*

KESSY can be added to allow the driver to lock and unlock the car and start and stop the engine without having to insert or even handle the key. As long as the key is within 1.5m of the sensor, the system will work, and a number of simply clever features ensure you can check the lock, preventing you from locking the key inside and preventing unwanted access.

\*Included in optional Premium Sports Pack for Fabia 81TSI.

# LUGGAGE COMPARTMENT

Store it. Hang it. Lock it. The Fabia's clever design allows storage solutions and capacity to be maximised.

## Capacity

Hidden within the Fabia's clever design is exceptional **luggage space**. The hatch boasts **305 litres** of space. This phenomenal space becomes cavernous with the rear seats folded down, expanding to **1125 litres**. The wagon (shown) offers **505 litres** of space with seats up and **1370 litres** with seats down; an impressive amount that is comparable to much larger family vehicles.

Overseas model shown

## Net system

A set of nets in varying sizes will keep order in your luggage compartment and will prevent luggage from sliding around.

## Flexible storage compartment

The flexible storage compartment is a handy feature to ensure belongings are kept stationary whilst driving.

## Shelf

The two-position luggage compartment shelf in the hatchback version can be fixed in the lower position, allowing for the transport of fragile objects. The compartment shelf can also be removed and stored behind the backrests of the rear seats.

## Folding Hooks

Folding hooks are located in the luggage compartment to conveniently hang shopping bags.

# OUTSTANDING SAFETY

Outstanding attention to design and detail means you benefit from not only sophistication, but exceptional levels of safety for you and your loved ones. In addition to the essential prerequisites of safety such as the exceptionally strong body and excellent driving characteristics of the vehicle, the Fabia offers **six airbags** as standard across all models: driver and front passenger airbags, front side airbags and curtain airbags.

Overseas model shown

## Front Assist with City Emergency Brake

Standard across the Fabia range, Front Assist uses a radar-based system that monitors the area in front of the car at speeds above 30km/h. Using predefined algorithms, it decides whether these objects pose a potential risk of collision and alerts the driver if the distance to object is insufficient – initially with a tone and an alert on the multi-functional display; followed by a warning jolt of the brakes. If the driver doesn't respond, the car will brake itself – all the way to a standstill if needed, helping to avoid a collision or reduce the severity of the accident. It can be turned off by the driver via the touchscreen. For vehicle speeds below 30km/h, City Emergency Brake is designed to help a driver avoid a low-speed crash or to reduce its severity.

## ESC with Multi-collision Brake

The ESC (Electronic Stability Control) is further enhanced with multi-collision braking; designed to provide effective assistance for the driver in the moments after an accident.

Multi-collision Brake triggers automatic controlled braking once an initial collision has been detected so as to reduce the intensity of further accidents after a collision and can help prevent follow-on collisions with oncoming traffic.

## Fatigue Detection^

Fatigue Detection^ monitors the movement of the driver through the steering wheel. If the driver begins to display signs of fatigue, the car will audibly alert the driver with a tone and show a break recommendation alert on the multi-functional display.

# PERFORMANCE

## Engine

The Fabia is offered with two new Volkswagen Group turbocharged petrol engines - 66TSI and 81TSI - variants that are lighter and more fuel efficient than previous generations. Consumption has reduced up to 21% whilst torque has improved across the range.

The Fabia 66TSI is complemented with a 5-speed manual; whilst the 81TSI is equipped with a 7-speed DSG automatic gearbox which uses two clutches and two sets of gears to preselect your next gear while you're still driving in your current gear. Used in nearly all high-end sports cars, DSG dual-clutch technology is trusted by the world's leading car manufacturers.

## Green Tech\*

A standard feature across both petrol variants is Green Tech - a technology allowing for further improvement in fuel economy through the "Start Stop" and Brake Energy Recuperation features. "Start Stop" allows the engine to automatically switch off when idle and immediately switch back on as soon as the brake or clutch pedals are released. "Stop Start" can be deactivated when required. In addition, Brake Energy Recuperation enables the use of kinetic energy to charge the car battery when the brakes are applied.

\*Deactivation of Stop-Start function will not occur in certain conditions.

# INFOTAINMENT

## SmartLink

Your car and smartphone are now in perfect sync. The SmartLink system delivers a seamless connection between your car and smartphone using, **Apple CarPlay\*** and **Android Auto\*** interfaces. Whether you want to select and listen to music on your smartphone or receive turn-by-turn directions, all of this is mirrored and can be controlled via the Fabia's infotainment unit.

\*For more information and to check the compatibility of your device with any of the different technologies, please visit the relevant Apple CarPlay or Android Auto websites for more details. Some apps require data usage.

## ŠKODA Surround Sound (Developed with Arkamys®)

Exclusively developed for Fabia, in collaboration with leading audio brand Arkamys, ŠKODA Surround offers a unique acoustic compensation system that elevates the sound stage in order to have the voices and instruments of the music filling the whole windshield. The Virtual Subwoofer option gives digital audio an improved bass support using the patented Arkamys technology based on psychoacoustics. Specially tuned for the Fabia, this technology provides you a deep and punchy bass, with crystal clear sound.

## Bolero and Amundsen infotainment units

The **Bolero infotainment unit** is controlled via 6.5" touchscreen display, offering exceptional 800x480 resolution. The Bolero unit features a USB, SD-card slot and Bluetooth® compatibility as well as displaying all Smartlink features. Furthermore, **Digital Audio Broadcasting (DAB\*)** allows the user to access a wide variety of digital stations, with crystal clear digital sound quality and information updates such as artist, song and news headlines.

For those preferring the conventional Sat Nav unit, the optional **Amundsen infotainment unit** offers the same features as the Bolero, with the added benefit of maps. Intuitive swiping and pinching movements allow the user to scroll menus and zoom into maps easily.

\*Included in optional Premium Sports Pack for Fabia 81TSI.

## 66TSI Manual

The **66TSI manual** variant is offered with fabric upholstery with unique door paneling and dashboard inserts; the interior colour influenced by the exterior colour selected. Also included is a host of technology and comfort features as standard, including: 6 airbags, Front Assist with City Emergency Braking, Multi-collision Brake, Green Tech including engine "Start-Stop", touch screen 6.5" Bolero infotainment unit with SmartLink smartphone connectivity including Apple CarPlay and Android Auto, Bluetooth® connectivity and rear parking sensors all as standard.

66TSI with metallic Race Blue Exterior, grey/blue interior trim and white dashboard inserts shown.

## 81TSI DSG

The **81TSI DSG** variant is offered with integrated fabric upholstery with unique door paneling and dashboard inserts; the interior colour influenced by the exterior colour selected. In addition to all standard features available on the 66TSI, the 81TSI includes: 15" Mato Alloy wheels, cruise control and front centre armrest as standard.

# ACCESSORIES

ŠKODA Genuine Accessories add style to your car while enhancing its utility. To get a full overview of our range of products, ask any authorised ŠKODA dealer for an accessories catalogue.

Transverse roof racks

Decorative door sill covers

Rear mud flaps

Ski box

17" Savio metallic black alloy wheel

Plastic boot tray

It is noted that the above accessories may have an effect on fuel efficiency. For a full range of genuine accessories, please refer to [www.skoda.com.au](http://www.skoda.com.au) or see your authorised ŠKODA partner.

# General information

## OWNING A ŠKODA

### ŠKODA New Vehicle Warranty

Every new ŠKODA passenger vehicle is covered by a three-year unlimited kilometre manufacturer's warranty, which includes ŠKODA Assist (24-hour roadside assistance). Every new ŠKODA vehicle is also covered by a 3 year paintwork and 12-year anticorrosion perforation warranty. For further information regarding this New Vehicle Warranty, including pricing and terms and conditions, please consult your local ŠKODA dealer or visit [www.skoda.com.au](http://www.skoda.com.au).

### ŠKODA Extended Warranty\*

To give you added peace of mind, you can now purchase an Extended Factory Warranty with your new Fabia. This warranty gives you an additional 2 years/unlimited kilometres of coverage, including roadside assistance. For further information regarding this Extended Warranty, including pricing and terms and conditions, please consult your local ŠKODA dealer or visit [www.skoda.com.au](http://www.skoda.com.au)

### ŠKODA Extended Factory Warranty

### Capped Price Servicing Every Calendar Year

The Fabia comes with peace of mind included, with Capped Price Servicing Every Calendar Year now available at participating ŠKODA dealers. Authorised ŠKODA Service Centres have factory trained technicians equipped with the very latest diagnostic equipment, specialist tooling and ŠKODA Genuine Parts. For further information regarding Capped Price Servicing program, including pricing and terms and conditions, please consult your local ŠKODA dealer or visit [www.skoda.com.au](http://www.skoda.com.au).

### Capped Price Service Every Calendar Year

### ŠKODA Assist - 24-Hour Roadside Assistance

As a valued customer, you can be assured that wherever you travel within Australia, you will have access to roadside assistance, 24 hours a day, 365 days a year. This is complimentary for the duration of the vehicle's original ŠKODA warranty period.

You will receive help in the event of a breakdown or accident and, if required, your vehicle will be mobilised or transported to an Authorised ŠKODA Workshop. As a ŠKODA owner you will also have access to the additional benefits of accommodation and car rental if your vehicle cannot be mobilised within 24 hours, when you are over 100km away from home.

### ŠKODA Care Pack\*

To ensure that extra peace of mind, ŠKODA Care Pack is now available at all authorised ŠKODA dealerships to provide owners even more security and comfort. By combining ŠKODA Extended Factory Warranty and 3 years Scheduled Servicing into one bundle, customers can be confident knowing that their ŠKODA vehicle is in the safe hands of our factory trained technicians. Also, with an added 2 years of roadside assistance, ŠKODA owners can be assured that they are in our excellent care. For further information, regarding this ŠKODA Care Pack, including pricing and terms and conditions, please consult your local ŠKODA dealer or visit [www.skoda.com.au](http://www.skoda.com.au).

### ŠKODA Genuine Parts®

ŠKODA Genuine Parts® are designed for your vehicle and approved by ŠKODA, with particular regard to safety. The workmanship, dimensional accuracy and materials used in these parts comply with factory specifications. To ensure safety and reliability, ŠKODA recommends the use of ŠKODA Genuine Parts®. ŠKODA Authorised Dealers offer a two-year unlimited kilometre warranty on Genuine Parts from the date of purchase.

### ŠKODA Financial Services

Buying, borrowing or leasing, ŠKODA Financial Services will certainly make you think differently about financing and insuring your new ŠKODA. Committed to meeting the needs of ŠKODA drivers across Australia, we offer a range of leasing, financing and insurance products, each with distinct advantages depending on your specific circumstances. We can tailor a solution to suit your

individual requirements, so you can rest assured that there will be no surprises along the way. Speak to your local participating authorised ŠKODA Dealer today to put together a solution that best suits your lifestyle.

### ŠKODA Choice Program\*

ŠKODA Choice is a finance program available to approved applicants of ŠKODA Financial Services only which provides ŠKODA owners protection around your ŠKODA's future value, whilst offering a simple monthly instalment financing option. Enjoy the peace of mind of knowing the minimum value you can receive for your vehicle at the end of your contracted term. You can choose to either trade-in, return or retain your ŠKODA - it's your choice. Learn more about how to protect your investment by visiting [www.skodafinancialservices.com.au/gfv](http://www.skodafinancialservices.com.au/gfv) today.

Guaranteed Future Value

### Car Configurator

### BUILD YOUR OWN FABIA >

Build your own Fabia with the right specifications to suit your lifestyle. Visit [www.skoda.com.au](http://www.skoda.com.au)

\*ŠKODA's Care Pack and 2 Year Extended Warranty are only available for purchase at or before the time of first registration of a new ŠKODA vehicle. It may not be purchased after taking delivery of a vehicle.

\*The ŠKODA Choice Program consists of an option to require ŠKODA Financial Services to purchase your vehicle at the end of your ŠKODA Financial Services Chattel Mortgage, Consumer Loan or Hire Purchase for a value (known as the Guaranteed Future Value) determined by ŠKODA Financial Services and set out in your contract. The Guaranteed Future Value is not a representation by ŠKODA Financial Services as to the likely market value of your vehicle as at the end of your contract. The option is available on new and demonstrator ŠKODA vehicles for selected models only. Please verify with your dealership vehicles that are eligible for the program. If vehicles are not returned in an acceptable condition, as defined in the terms and conditions or exceed kilometre restrictions the Guaranteed Future Value will be reduced. See the ŠKODA Choice Fair Wear and Tear Guide, downloadable on this page, for more information on the required conditions and circumstances. The cost of the ŠKODA Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. ## Fabia Pricing and Equipment Overview – MY16

### Fabia Pricing Summary MY16

Fabia Hatch				
Engine	Transmission	Power	Torque	RRP <sup>#</sup> / Driveaway <sup>^</sup>
66TSI	5-sp Manual	66kW@4400-5400	160Nm@1400-3500	\$15,990 / <b>\$15,990</b>
81TSI	7-sp DSG	81kW@4600-5600	175Nm@1400-4000	\$20,290 / <b>\$20,290</b>

Fabia Wagon				
Engine	Transmission	Power	Torque	RRP <sup>#</sup> / Driveaway <sup>^</sup>
66TSI	5-sp Manual	66kW@4400-5400	160Nm@1400-3500	\$17,140 / <b>\$17,490</b>
81TSI	7-sp DSG	81kW@4600-5600	175Nm@1400-4000	\$21,440 / <b>\$21,790</b>

<sup>#</sup> Manufacturer's recommended retail price (MRRP) excluding dealer delivery charges, statutory charges and optional extras.

<sup>^</sup> Manufacturer's recommended driveaway price (MRDP). Options and metallic paint available for an additional cost. MRRP includes 12 months private registration, 12 months compulsory third party insurance, dealer delivery and stamp duty. The driveaway price shown is based on the owner being a 'rating one' driver aged 40 with a good driving record. Actual driveaway price may differ depending on choice of dealer and individual circumstances. ŠKODA Australia reserves the right to vary the MRDP in its discretion. The above pricing does not take into account any campaign/promotion that may be current in relation to any of the above models. Contact your local ŠKODA Dealer to confirm your specific price, availability and any current campaign/promotion pricing.

\* ŠKODA's Care Pack and 2 Year Extended Warranty are only available for purchase at or before the time of first registration of a new ŠKODA vehicle. It may not be purchased after taking delivery of a vehicle. For further information, regarding this ŠKODA Care Pack, including pricing and terms and conditions, please consult your local ŠKODA dealer or visit [www.skoda.com.au](http://www.skoda.com.au).

^ The ŠKODA Choice Program consists of an option to require ŠKODA Financial Services to purchase your vehicle at the end of your ŠKODA Financial Services Chattel Mortgage, Consumer Loan or Hire Purchase for a value (known as the Guaranteed Future Value) determined by ŠKODA Financial Services and set out in your contract. The Guaranteed Future Value is not a representation by ŠKODA Financial Services as to the likely market value of your vehicle as at the end of your contract. The option is available on new and demonstrator ŠKODA vehicles for selected models only. Please verify with your dealership vehicles that are eligible for the program. If vehicles are not returned in an acceptable condition, as defined in the terms and conditions or exceed kilometre restrictions the Guaranteed Future Value will be reduced. See the ŠKODA Choice Fair Wear and Tear Guide, downloadable on this page, for more information on the required conditions and circumstances. The cost of the ŠKODA Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of ŠKODA Financial Services. Subject to credit assessment. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating ŠKODA dealers.

For Full Terms, Conditions and exclusions visit your nearest participating ŠKODA dealer. Prices (incl GST) valid at the time of publishing. Subject to change without notice.
